

DON'T MISS THE BUS ON FREE SCHOOL MEALS

No more packing lunches – school meals are free this year for all students attending in person! Regardless of income, every student in Massachusetts can receive all school meals at no cost through the 2021-2022 school year.

GUARDIANS ARE ENCOURAGED TO HAVE THEIR KIDS PARTICIPATE, BECAUSE IT WILL:

- Save you time & money
- Boost revenue for your child's school
- Break down barriers and stigma for other children who eat school meals
